

# *Black Forrest*<sup>®</sup>

A SOPHISTICATED VISUAL APPEAL WITH THE BENEFITS OF A MULCH

## TRENDING FOR MODERN STYLE

Clean, high-contrast jet-black aesthetic  
Makes flower, plants and furnishings pop  
Cost-effective, easy alternative to stone

## CONTRIBUTING TO GARDEN HEALTH

Suppresses weeds and retains moisture  
Improves soil structure and plant health  
Adds beneficial organic materials

## RATED INDUSTRY-BEST FOR LIGHT/WEATHER-FASTNESS

The longest shelf life in the industry  
Computer-monitored for colour intensity  
Stands up to the summer sun and frosty winters

## SAFE, WATER-BASED, ENVIRONMENTALLY-FRIENDLY

Safe for shrubs, plants, pets and children  
Independently laboratory tested as toxin-free  
Product does not leach once dry
